JIMMY AND ANTHONY COWART

MEET THE GROWERS: THE COWART FAMILY

The Cowart family has been growing Vidalias since 1984. But not just any Vidalias. Thanks to their father Jim, Jimmy and Anthony Cowart have the toughest standards in the country. They're tough on sweet onions. It's in their blood. Fact is, they won't leave anything to chance. As a result, when it comes to sweetness, no other Vidalia can touch their Vidalia's Sugar Sweets. Period.

California Sweet Onions

Progressive Farms California Sweet Onions are grown just two hours away in Coachella, bringing you fresh, locally sourced onions without the extra travel time. These flat sweet onions deliver the same premium quality your customers love in the summer, but at market cost—saving you on freight compared to Vidalia. Enjoy the convenience of just-in-time delivery for quick orders without long lead times. Available in a 40 lb stickered carton or a 2 lb bag, our Progressive Farms California Sweet Onions are a smart, cost-effective choice for your produce lineup.

California Sweet Onion Availability

Life should be this sweet.

Walla Walla sweet onions are round, with an elongated neck and dry, paper-thin skin. Onions grown in the Walla Walla Valley have half the sulfur of an ordinary yellow onion, which makes them taste so sweet! Walla Walla sweet onions are a good source of Vitamin C, are sodium and cholesterol free, and are low in calories!

Did you know...

A Federal Marketing Order was established in 1995, specifying the Walla Walla Valley as the only region authorized to grow the Walla Walla Sweet Onion. Walla Walla sweet onions have been hand-harvested for many generations and are planted in carefully selected soils in the Walla Walla Valley of Southeast Washington and Northeast Oregon.

PEAGHES

SUMMER'S SWEETEST TREAT

Keystone has been providing customers with peaches since the late 70's. We know peaches! From mid-May to mid-September, we can fulfill your needs. We offer 25lb volume-filled cartons, two-layer tray pack cartons, and 12/2lb peach pouch bags. If you are looking for a unique specialty pack, let's talk!

We partner with the best growers, with the best state-of-the art packing houses, throughout many regions, ensuring fresh and on-time deliveries! Our peach program includes growers from Alabama, Georgia, Maryland, New Jersey, New York, Pennsylvania, South Carolina, Virginia, and West Virginia, giving us options to fulfill your needs!

At Keystone, we can cover FTL and LTL deliveries up and down the East Coast and to the Midwest. And in many situations, provide next day delivery; having peaches picked, packed, and delivered within a couple of days so you can offer your customers some of the freshest peaches all summer long!

Our Story CHAMBERSBURG Peaches are only available for a short period of time; starting late July and continuing until early September. Enjoy them while you can, because they will soon be gone! The rich soil and consistent valley weather in Franklin County and surrounding counties, such as Adams and York, in South Central Pernsylvania produce these sweet & juicy peaches.

An all-time favorite in Western Pennsylvania, these peaches are becoming more popular in other areas as well. Whether enjoying them as a snack, in your peach cobbler recipe, or grilling them on an open fire, you're sure to enjoy these CHAMBERSBURG Deaches!
